Item 3.02 Unregistered Sales of Equity Securities

The information in Item 8.01 below is incorporated into this Item 3.02 by reference.

Item 8.01 Other Events

On September 6, 2018, DiamondRock Hospitality Company (the "Company") and DiamondRock Hospitality Limited Partnership (the "Operating Partnership") entered into a contribution agreement under which an unrelated third party has agreed to contribute its interest in a luxury resort hotel in California to the Operating Partnership in exchange for approximately \$150,000,000 in a combination of cash and a maximum of 4,591,836 units of newly-issued common limited partnership interests in the Operating Partnership ("OP units") at an agreed-upon value. The actual number of OP units to be issued at the closing will be determined prior to closing; however, the Company expects that the actual number of OP units issued will be less than, and potentially substantially less than, the maximum number of OP units referenced above. The transaction is expected to close in the fourth quarter of 2018, following the satisfaction of closing conditions.

Beginning 12 months after issuance, the OP units issued by the Operating Partnership are redeemable at the option of the holders thereof for cash or, at the Company's option, for shares of common stock of the Company on a one-for-one basis, subject to certain adjustments, in accordance with the terms of the Amended and Restated Agreement of Limited Partnership of the Operating Partnership.

The issuance of the OP units described above will be issued in reliance on an exemption from registration under Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D promulgated thereunder.
